Speaker and demo for planting &  
mulching  
Connection to local trained Tree  
Stewards that can monitor your trees  
(possible pruning, etc)  
A bucket with instructions  
for tree care

## H-IPL provides

Publicity for the program among our  
congregations  
Connections among participating  
congregations  
Complementary ways to promote creation  
care and energy efficiency in your  
congregation  
Promotion and celebration of your efforts

## Member congregations provide

3 contacts (including grounds keeper)  
Membership dues to the program  
(\$100/year)  
Commitment to stay in for 3 years  
(this is how long trees need to  
establish roots)  
Pictures from your tree planting  
Hands that will work & care for trees  
Water and care for 3 years  
An estimate of the hours your group  
contributed

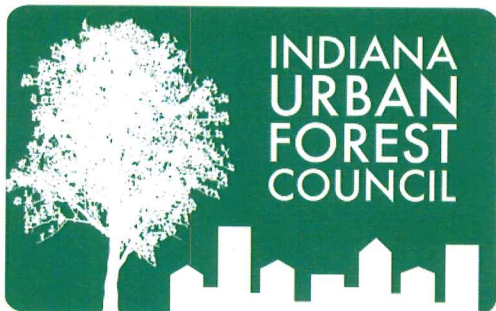

What will your trees look like when these  
kids are grown?

We rely on YOU, our committed partners and generous sponsors to exist.

Please be sure to thank them for helping us reach the public and for advancing our cause!
